FRIDAY, MARCH 3, 1899.

Grover Cleveland again in poli Evidently he enjoys Waterloos.

ernment.

Agninaldo is finding by sad ex berience that the sleeping engle stuffed owl.

Now what will the Hawaiian officials do about the September elections? Which constitution will hold sway, the Hawaiian, American or a combination of

result in the withdrawal of all waii as a calling place, a secondaofficials who took part in the late ry proposition that may be controubles and possibly the selection sidered in the trade with the east. of a new king that will suit all the The local capitalists can do a great

tor that he is a base and selfish in other parts of the world, politician because he seeks the the people of this territory cannot honor of office five years hence.

O. Clark's resignation will be centers of the Pacific Coast. proved only by additional activity and progress in the Agricultural FAURE FUNERAL PAGEANT Oratorio music. The church department of the Government. It is true that Mr. Clark has had no more outside irons in the fire than many of his government official compatriots.

that the aspirants for the throne of returning Monarchy are just beginning to wake up to the fact that something has happened. The downfall of the French Republic will be a long time coming.

railroad development Mr. Dil lingham has had experience in doubt, prejudice, and indifference that gives him a well earned standing as a first class engineer.

Pope Leo's letter to Cardinal Gibbons is simply a reassertion of the Roman Catholic tenet that the Church is one, inseparable and unchangeable. If this letter is intended to check the progress flags which were the most numerof "liberalism" among the Catho lies of the United States, it will Russia and the United States. only serve as a temporary check at best. The independence of thought in all religious faiths lie occasion have so few British goes hand in hand with the "li flags been seen. beralisms" of governmental laws and customs. The Catholics and Protestants of today are more liberal than the Catholics and Protestants of the middle ages, but from the tribunals of Paris, and the spir t of personal inde. Lyous, Marseilles and other cities, pendence as d liberality is steadily all of whom were resplendent in accomplishing the same positive, with broad bands of ermine. progressive lessits today that it Sixty thousand troops were | 100110 did in the former centuries.

IN THE INTERESTS OF HAWAII

The proposition to have a local steamship line between ports of disorder. the Northwest and Honolulu controled by local capital is one that ought to be readily accepted among business men. The centers by a military force and directed of trade in Washington and Ore- by such a masterly hand. Presigon should be and can be made dent Loubet's firmness and cour most profitable market centers for age are universally commended. the products of Hawaii. With our local conditions established certainly Hawaii should not be the handle of the broom. slow in seeking new markets for its tropical products. Furthermore in the development of the ocean transportation of the Pacific, there is no reason why the About the only thing in Hawaii local capitalists of Hawaii should not keeping time to the quick step not take a hand and place their of American progress is the Govsailing vessels in the trade between the islands and the coast.

At the present time, the Oceanic Company gives first class local he has been throwing stones at is transportation facilities with the ing direct from themselves by the 9 Hotel Street : : Waverley Block something more dangerous than a railroad center of California, but first mail from Manila. we have only indirect connection with the avenues of trade and travel in the great Northwest. It Principal Items of Business Transacted is a commercial field that can supply Hawaii's needs and one in which our produce should find a ready and profitable sale. Nearly all the newly projected steamship The affair at Samoa bids fair to lines of the Pacific figure on Hadeal toward developing trade in school was assigned to the new Hawaii by making it a terminal Palama school, with the addition

It has often been said that Speaker Reed is too big a man to ever be a President, and it certainly will not help him any to put his stumbling blocks of power in the pathway of the present popular McKinley administration.

Senator Foraker whose term of office does not expire till 1903 is now at work to secure his reelection. Some of the wise men of Hawaii onght to notify the Senator that he is a base and selfish to the parts of the world.

Hawaii by making it a terminal point, by providing transportation lines in which the interests of Carrie Howland, Kate Phillips, May Laughlin and Mrs. Edith L. Begger. The school agent and the principal were authorized to engage Miss Josephine Wores as in same school.

The time is not far distant when the transportation facilities of the principal were authorized to engage Miss Josephine Wores as in same school.

The time is not far distant when the transportation facilities of the principal were authorized to engage Miss Josephine Wores as in same school.

Senator Foraker whose term of office does not expire till 1903 is now at work to secure his reelection. Some of the wise men of land, now idle for want of cheap of fivil's. In these days of sharp competition and rapid transportation for that he is a base and selfish to that he is a base and selfish to the propriate committee.

Has just opened up over 1,000 NEW MAYELS by the following popular works. Gant Allen Schitch L. Begger Schuber Captain Charles King—A. Dumas—A. C. Gunter—Georgie Stelder—Albert Ross—Ople Read—W. Clark Ross—O afford to fail to make themselves known positively and actively have the Oratorio music on the The wisdom of asking for Byron known, in the great American evening of the 21st inst. The

New York, Feb. - A dispatch to entertainment. the Tribune from Paris, says: Perfect order, even reverence, marked the passage of Felix The crisis caused by the death Faure's funeral procession, not of President Faure was handled only along the place de la Con so quickly, quietly and positively corde and the fashionable thoroughfares, but especially in the turbulent district skirting Belleville and extending from the Boulevard Sebastopol to Pere la Chaise cemetery. President Loubet in plain evening dress, with the broad ribbon of the Legion of It is indeed a wise proposition Honor and wearing a silk hat, atto have B. F. Dillingham as ad- tended by the prime minister, the visory counsel for the Hawaii President of the chamber and the vice-president of the Senate, walked behind the hearse from the Elysee Palace to Notre Dame bridging chasms of financial and thence to Pere la Chaise, a distance of five and a half miles.
At no point in this long route was there a solitary derisive shout

It was the most imposing sight seen in Paris in many years. A prominent Parisian florist estimates that the cost of the flowers

in the cortege exceeded 3,000,000 francs.

After the French tri-colors, the ous and conspicuous were those of S-ldom bave so many American flags been displayed in Paris and seldom, indeed, on a such a pub
